This event has already developed into part of our government programs, for instance to support Visit Indonesia 2008, Tomohon Flower Festival 2008, World Ocean Conference 2009, and Manado World's Tourism City 2010.

By this reason, we would also like to ask for your kindly help to pass this information to your friends, colleagues, relatives, and the choral communities & association you know. We are also very pleased to send the hard copies of the announcement if you like to have it and don't mind helping us to distribute it. Please give us your complete address so we can send the hard copies by air mail.

Please do feel free to contact us for the detail information.
